TCL boasts nearly a quarter century as the Mid-Hudson Valley's "Hometown" premier parade and exhibition corps, representing the devotion and pride of the region's drum and bugle corps, past and present.

TCL is a community-based marching arts organization dedicated to the development of teamwork, sportsmanship, civic pride and musicianship through a musical marching activity. TCL's main objective is to provide its members with an enjoyable, fun drum corps experience while putting out a high quality musical unit. With this in mind, the corps maintains a moderate performance schedule with just one rehearsal a week on Friday nights in Highland, NY.

TCL TEAM MEMBER GUIDING PRINCIPLES

It is up to all of us to set the standard of excellence and teamwork for TCL. Commitment to TEAM TCL must be shared by everyone involved with the corps from performers to support members. Maintaining our strong quality organization is dependent on each team member's commitment to the following tenets:

Pride

Through the contributions that our members make to TEAM TCL, satisfaction is derived from one's individual achievements as well as those accomplished by the organization as a whole.

Dignity

TCL members earn honor and respect from their fellow corpsmen and spectators through continued demonstration of selflessness and dedication to the organization's goals, as well as their dedication to the drum and bugle corps activity.

Respect

20th Century Limited has an established history of being a highly regarded and reputable organization both internally and in the public eye. Every member has a responsibility to respect themselves, their peers, their instructors, and other organizations that TCL performs with. Respect is earned in everything we do, from the way we rehearse, to the way we wear our uniforms, to the way we conduct ourselves while representing TCL.

Commitment

Commitment is defined by the seriousness you place on your personal success, as well as that of TEAM TCL. Commitment means accepting the responsibility to attend all scheduled rehearsals, parades, exhibitions, and community performances. You make a commitment not only to yourself, but to your fellow corpsmen as well.

Enthusiasm

Enthusiasm breeds energy and if you are energetic, nothing is impossible. Your level of enthusiasm helps to bring out a higher level of excitement and interest from those around you.

Loyalty

You represent TCL at all times. It doesn't matter where you are -- rehearsals, performances or other non-corps related functions. If someone knows you are a member of the corps, then you represent the entire organization. Make that action happen with pride and class! The loyalty to hold for our corps drives your lasting impressions on others.

Comradery

20th Century Limited is a family; a fraternity. As TEAM TCL members our family includes: Currently active TCL Members, our TCL Alumni, the Hudson Valley Alumni Corps, our fans and families.

TCL TEAM MEMBER RESPONSIBILITIES

Rehearsals

TCL sectional and ensemble rehearsal is held EVERY Friday evening with some scheduled breaks throughout the calendar year. Marching rehearsals are scheduled monthly. Sneakers and comfortable, weather-appropriate attire are required for all marching rehearsals.

Attendance

Although TCL does not strictly enforce attendance requirements like many other similar organizations, TEAM consensus suggests that missing 1-2 rehearsals per month on a regular basis sends a message to your teammates that you're not committed to the team. Furthermore, missing rehearsals regularly inhibits progress of the entire team and often prevents us from adding planned embellishments to our show. Members are expected to communicate absences to both their section instructor as well as the TCL Membership Coordinator, Rick DeCandio.

Transportation

All members, regardless of age, are responsible for arranging their own transportation to/from rehearsals and events.

Busses are generally chartered for events more than 60 miles from Highland, NY. The main departure point is Thruway Exit 18 Park & Ride in New Paltz. Depending on the direction travelled, additional stops

may be added. Bus departure times and locations will be announced in advance of the event. Members sign up to ride and reserve their seats by paying \$5 in advance to cover bus driver gratuity and administrative costs. Friends and family are welcome to ride! Minors riding without a parent must provide a permission slip signed by their parent/legal guardian at least one week in advance of each trip.

Equipment

Brass players Brass players who do not own their own silver-tone bell front instrument may be issued a corps instrument at no charge (if available). With the exception of tubas, brass instruments may be taken home by the member once the appropriate paperwork is completed. Tubas and Percussion equipment are stored on the corps' equipment truck and may not be taken home.

Uniforms

TCL members are eligible to be issued a uniform once s/he has attended a sufficient number of rehearsals and has obtained approval from his/her section instructor and marching instructor. Once eligible, the member will receive a Uniform Responsibility Form with instructions to arrange for your fitting & member orientation. Uniforms are issued by appointment only at 145 Pancake Hollow Road, Highland. Uniform issue/orientation days will be scheduled at the start of each season.

TCL uniforms are issued with a garment bag to members at no cost for participation purposes in 20th Century Limited Drum & Bugle Corps. The member assumes full responsibility for the safety and maintenance his/her uniform. Loss or damage to the uniform must be reported to the Corps leadership immediately. All members are responsible for maintaining cleaned, pressed, and complete uniforms. Please refer to the "How do I wear my COOL TCL uniform" pamphlet for details on wear and care of the TCL uniform. All members are required to store and transport their uniforms in a garment bag when not in use. Plumes must be stored in the cardboard tube provided. Upon leaving TCL, uniforms should be returned to the TCL Quartermaster in a garment bag; cleaned and in similar condition as originally issued.

Each member must provide his/her own SOLID BLACK marching shoes (not sneakers), BLACK socks, BLACK gloves, and BLACK Corps T-Shirt. See section on "Additional Costs" for information on obtaining accessories via the *TEAM TCL Info Table*. **Members appearing without required uniform accessories may be required to purchase replacement accessories from the corps (if available) or sit out the event.**

Teamwork

Every member is expected understand and contribute to building and sustaining the TEAM TCL culture. Members must accept ownership of their own responsibilities to the team and to help others achieve their own success with the team.

Communication

Communication works both ways and will make or break this organization. TCL strives to provide its members with comprehensive information for all events, activities, and general participation. Each member is responsible for keeping with what is going on with the organization. Furthermore, it is each member's responsibility to communicate with staff and fellow members regarding anything related to TEAM TCL. Please review the *TCL Member Communication Plan* provided in the member application packet.

Have Fun!

The more involved and committed you are to TEAM TCL, the better and stronger the team will be and the more fun you will have! The big payoff comes when we perform and hear the applause!

Volunteers

In addition to our performing members, auxiliary volunteers are essential to supporting the organization. We are always in need of support personnel. In particular, we need water carriers to walk with the corps at parades. Please visit the *TEAM TCL Info Table* if you are interested in becoming a volunteer.

Fundraising

TCL does not actively require participation in fundraising events; however, the TCL Scholarship & Trust Fund may ask for member's assistance with fundraising.
